15th, September 2015

Attention: Mr. V Anbarasan, Project Manager

After Compliments,

Project : Construction of 132kV Overhead line between Awqad GSS and Al Qurm Area and associated Works.

Subject : Subcontractor Approval – Power Links Intl. and Al Katheery Trading & Cont.

With reference to the subject matter and your above noted reference letters requesting for subcontracts approvals, we would like to inform you that the following companies Subcontractor prequalification have been reviewed by us and found acceptable conditionally as noted below.

1. Power Links Intl. Co LLC – Acceptable as a subcontractor to carry out 132kV Cable installation and testing under Cable Manufacturer and RAY supervision for above mentioned project.
2. Al Katheery Trading & Contracting Est. – Acceptable as a subcontractor to carry out existing LT & 11KV OHL under grounding works under RAY supervision for above mentioned project.

However RAY shall ensure to engage their relevant experienced Engineer to supervise the above subcontractors work activities.

Further note that if required the above subcontractors can also be utilised for Section-1 (IWPP to Al Qurm Project) which is being executed by RAY.

Yours faithfully,
For Mott MacDonald & Co. LLC

Gobinath. A
Project Manager
